GENDER BASED VIOLENCE

For the last club meeting on Friday, Dec. 8, the Guest Speaker was Mr. T.R. Sarangal, IAS, Secretary -Health cum Managing Director, Punjab Health Systems Corporation. He was introduced by PP Dr. Balram K. Gupta. Mr. Sarangal is B.Sc. in Agriculture, Masters in Public Administration & holds a Diploma in Management. He served in UCO Bank, Indian Railways & IPS, before joining IAS in 1985.

Mr. Sarangal explained that in India, more than 6,000 women are killed each year because their in-laws consider their dowry inadequate. Only small percentages of the perpetrators are brought to justice. Violence against women is the result of unequal power relations between women and men. Behind these power relations is patriarchy, a structure that is constructed, reinforced and perpetuated by society and institutions put in place by men, thereby ensuring that men, by virtue of their sex, have power and control over women.

In all societies, there are cultural practices and beliefs that undermine a woman's autonomy and contribute to gender-based violence. Many cultures condone or at least tolerate a

certain amount of violence against women. Many cultures hold that men have the right to control their wives' behavior and that a woman who challenges that right, may be punished.

Factors that perpetuate domestic violence are :

- ✍ Women's economic dependence on men ;
- ✍ Limited access to cash and credit ;
- ✍ Discriminatory laws regarding inheritance, property rights, use of communal lands and maintenance after divorce or widowhood ;
- ✍ Limited access to employment, education and training for women ;
- ✍ Lesser legal status of women either by written law or by practice ;
- ✍ Laws regarding divorce, insensitive treatment of women and girls by police and judiciary ; and
- ✍ Limited participation of women in organized political system.

Culture-specific forms of violence include honor killings, acid attacks, public mutilation, stove-burnings, sati and forced temple prostitution. 90,000 women all over India, aged 15-49, were interviewed and the results of the survey are : Women Who Justified Beating -56% ! Higher the education level, less the likelihood of the woman justifying wife beating ; lower the standard of living, higher the chance of the woman being beaten.

CHANDIGARH MIDTOWN RETAINS ROTARY GOLF CHAMPIONSHIP

Our club once again got the honour of hosting the District Golf Tournament which was organised at Chandigarh Golf Club on Sunday, December 10, 2006. In spite of chilly weather & foggy conditions en route, golfers from Ambala, led by PDG Yash Das reported in full strength. After a long time Panchkula Club was also represented. It was a team of two doctors - Dr. Shobhit Ghai & Dr. Gopal Munjal, both relatively new to this sport but very keen golfers. Our President Dr. V.J.S. Vohra & Secretary Raj Luther were there well before the tee-off time along with Mr. V.P. Sharma to ensure that arrangements were perfect. Forty golfers from six Rotary Clubs took part in the championship.

PP Harish Sethi announces the results

DG Dhain Chand addressing the Rotarians

As it happened last year, there was keen competition between our Club and RC Shivalik. We had entered two teams of 4 players each. Chandigarh, Shivalik & Ambala had entered one team each. Three best cards of each team were considered to arrive at the score.

Our 'A' Team, comprising of PE Sandeep Sandhu, PP Harish Sethi, Rtn. A.K. Sachdeva & Dr. B.C. Gupta combined very well to aggregate 95 stableford points and emerge as winners. Shivalik team were runners-up with 93 points. Our second team consisted of Rtn. Rajneesh Ahuja, Rtn. R.S. Sachdeva, Rtn. D.R. Agarwal & Rtn. Santosh Khaitan. Their aggregate for three cards was 78, which earned them the third place, well ahead of Ambala & Chandigarh.

Well done Chandigarh Midtown golfers, for winning twice in a row - keep it up !!!

AK Sachdeva, Sandeep Sandhu, Harish Sethi & Dr. BC Gupta getting the trophy from the DG

PDG Yash Das led the Golfers from Ambala

In the Individual Competition, PE Sandeep Sandhu was the winner for handicap less than 12. Anil Gakhar of Shivalik won in the higher handicap category. Sandeep Sandhu also won the 'Longest Drive' competition with a drive of 319 yards. In the Putting Competition for non-golfing ladies, Mrs. Manjit Sethi & Mrs. Kanan Diwan were joint winners.

District Governor Dhian Chand along with Ann Meena Ji arrived well in time for fellowship which was great as usual. DGE Shaju Peter, who was away to Shimla to finalise details for the District Assembly to be held next year, curtailed his trip to be back in time. Our thanks to Shaju, PDG Maj. Som Dutt, PDG Yoginder Diwan and Ann Kanan for gracing the occasion.

DG Dhian Chand complimented our club for organising an excellent tournament which provided a unique opportunity to a large number of Rotarians to interact and enjoy fellowship. He hoped there would be more competitions from other clubs for Midtown golfers to stop them from winning the trophy every year !

I must thank AG Capt Moni Kahlon, Pres. Dr. V.J.S. Vohra, Secretary Raj Luther, my golf partner A.K. Sachdeva & Mr. V.P. Sharma for all the support they provided in organising this big event. I am grateful to our own golfers P.K. Verma & T.L. Verma for being instrumental in raising the spirits of golfers who had a round of golf in the chilly weather, by organising a very liberal supply of beer & cocktails. Thanks so much to R.S. Sachdeva for pitching in and sponsoring the prizes. Thanks are also due to our benevolent PP R.S. Chandgothia for presenting a watch as a prize for maximum number of birdies, which once again was won by our own Bobby Sandhu.
