Musical Evening

In the club meeting on June 17, 2011 President Rtn. Prem Anand handed over the meeting to Rtn. Dr. Anurag Sharma & R'ann Dr. Manjushri, who very meticulously conducted the proceedings. Dr. Anurag Sharma, a Senior Cardiologist at Alchemist Hospital is truly dedicated to his profession and he has great love for music, for which he humbly gives credit to his mentor – his late mother Mrs. Kamla Sharma and

thought it wise to come up with another popular number from Mere Sanam, "Pukaarataa Chala Hun Main Gali Gali, Bahaar Ki Bas Ek Chhaa Zulf Kii..."

Then came another one from the movie The Train, "Gulaabi aankhen jo teri dekhi, Sharaabi yeh dil ho gaya...." followed by another super hit from film Black Mail, "Pal Pal Dil Ke Paas Tum Rehti Ho, Jeevan Meethi Pyaas Yeh Kehti Ho...."

Rtn. Dr. Anurag Sharma and R'ann Dr. Manjushri Sharma provide musical therapy

Dr. Anurag Sharma sings with impressive audio visual display

Dr. Anurag inspired the audience so much that practically every one wanted to hold the mike and say something, and this led to full participation from the Rotarians & R'anns. Even grand children and children of Rotarians were motivated to impressively entertain us!

Led by President Prem Anand and first Lady Indu Anand there was a rush towards the dance floor, and Dr. Anurag switched over to a fast one with RD Burman song from film Shaan, "Yamma yamma, Yamma yamma, Yeh khubsurat sama, Bas aaj ki raat hai zindagi, Kal hum kahan tum kahan...."

respectfully dedicated the Musical Evening in her memory.

Dr. Anurag Sharma was very ably assisted by his wife, Dr. Manjushri who also works at Alchemist Hospital as General Manager (Administration). He started the proceedings by narrating a poem, a 'sher', "Khule aasman zamin ki talash na kar, ji le zindagi khushi ki talash na kar, takdir badal jayegi apne aap hi, muskurana sikh le, wajah ki talash na kar."

The doctor couple Anurag and Manjushri provided a new way of entertainment in our club, through music, humour and laughter therapy which made us sing, dance and laugh, and feel happy, cheerful and totally relieved from any tension! They created a fun-filled real magical entertainment. A Cardiologist would normally recommend proper medication, cardiac surgery where necessary, healthy lifestyle, regular exercise, balanced diet and even a limit of 60 ml during cocktails! But there are several ways to let music into your heart, and for this Dr. Anurag is the right choice!

The songs Dr. Anurag was singing, were being displayed on the screen with relevant background music and lyrics, as he was operating through the instrument known as 'Magic Sing', supported by audio visual presentation. He had a prescription of joyous hit songs, giving a feel of superstar performance. The opening song was from the movie Satte pe Satta, "dilbar mere kab tak muje ayese hee tadapaoge, mai aag dil mein lagaa doongaa...."

This was followed by some jokes and then there was a lively debate on defining 'Love' and 'arranged & love marriages', but as ladies and gents gave different views, Dr. Anurag

Rotarians got melodious dose of musical therapy and laughter, the best medicine. Those who did not attend that evening missed the amazing 'treatment' and enjoyment, but they may not get depressed, because now Dr. Anurag would continue to be in great demand, not only in his hospital, but in Rotary meetings as well!

PDG Shaju Peter surprised us with a devotional song, which was in his mother tongue

PDG Yoginder Diwan shared some jokes
