In our regular meeting on August 19, 2016 we had President Rtn. Stefan Widegren of Rotary Club of Lugano Lago, Switzerland as our Chief Guest. He is also the Past President of Rotary Club of Milano Sud Est, Italy. A close friend of our club PP Rtn. Lakshmi Khanna of Rotary Club of Milano Sud Est, Italy was the Guest of Honour. Our President Rtn. Amarjit Singh welcomed them and other guests. Rtn. Arjan Singh introduced the Chief Guest and the Guest of Honour.

Rtn. Stefan Widegren

Born in the year 1950, Rtn. Stefan Widegren is a resident of Switzerland. He studied mechanical engineering, and specializes in hydraulics and pneumatics at the Royal Institute of Technology in Stockholm from 1970 to 1975. He joined Specimas Srl (Italy) in 1972 and co-founded Cavotec AB two years later, assuming the role of managing director. Cavotec acquired Specimas in 1984 and Stefan was appointed Chairman and CEO of the Cavotec Group in 1994.

He was appointed Executive Chairman of Cavotec MSL in 2007 and Chairman of Cavotec SA in 2011. Stefan is Sweden's Honorary Consul in Ticino, Switzerland and Board member of the Swedish Chamber of Commerce in Zurich, Switzerland. Stefan has also served as Chairman of the Union of International Chambers of Commerce in Italy, and as Chairman of the Swedish Chamber of Commerce in Milan.

A dedicated Rotarian, Stefan is a member of the Rotary Club Lugano Lago.

Our Guest of Honour Rtn. Lakshmi Khanna was the President of Rotary Club of Milano Sud Est in 1995. He is also a recipient of the prestigious Service Above Self award. He is a very committed Rotarian, and travels a lot, touching the lives of people throughout the world including in India.

He has been associated with our club since 1995-96, and his club in Italy has collaborated with our club in number of projects for last 20 years. He has been arranging funds for our microloan and scholarship projects.

Rtn. Lakshmi Khanna

Rtn. Lakshmi Khanna was educated in Patiala and Delhi. He did chartered accountancy in London. He is a financial wizard settled in Milano in Italy, where he worked for a world renowned finance company, Price Waterhouse. He retired after active professional service of over 40 years. He joined Rotary Club of Milano Sud Est, and was then the only Indian Rotarian in Italy!

Rtn. Arjan Singh

Chair, Scholarship Committee Rtn. Arjan Singh gave an audio visual presentation of the scholarship program which started in 2008 when Rotary Clubs of Milan and Chandigarh Midtown joined hands to launch this project to benefit girls from under-privileged families wanting to study engineering. During last eight years, 11 girls completed

their courses and now all of them are earning very good salaries in India.

Half of these girls are from single parent family where the father had either died or abandoned the family. These girls have now moved forward in their lives and are in good position to take care of their families. Some of them are likely to get assignments in Europe and USA.

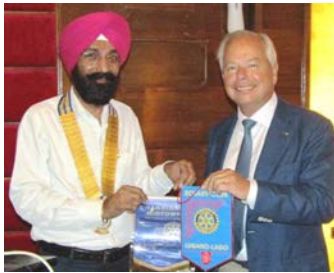

Mementos to President Stefan Widegren and PP Lakshmi Khanna, who are seen with PP Dr. S.K. Sharma, President Amarjit Singh, PDG Shaju Peter, Secretary Sundeep S. Sawhney and Rtn. Arjan Singh

President Stefan Widegren and PP Lakshmi Khanna felt really happy that we are jointly re-starting the scholarship project. They appreciated our friendship and support, and also thanked Arjan! They decided to go ahead with 6 scholarships of USD 1000 for 4 years, 2016-2017 to 2019-2020. One scholarship will be covered by our club, while the remaining 5 by RC Lugano Lago (4) and RC Milano Sud Est (1). The scholarships should be given preferably to

girls for University studies in engineering or medicine.

Before leaving Chandigarh, Rotarians Lakshmi Khanna and Stefan Widegren have left with Rtn. Arjan Singh a cheque for Rs. 1,67,000/- (one semester). This is to kick start the scholarship programme for the next four years. Along with our club's contribution the corpus for this year will amount to Rs. 4,00,000/- for two semesters.

TTE of Shatabdi train Rtn. Munish Uppal with Rtn. Salil Chopra and Rtn. R.K. Jain

Rtn. R.K. Jain accompanied by 7 Interactors

Campaigning continues at the Railway station in Chandigarh for spreading the message of 'Swachh' India.

Rtn. R.K. Jain, Rtn. Salil Chopra and Rtn. Jeeten Bhambri were pleased to meet the TTE of Shatabdi train, Rtn. Munish Uppal, Secretary of Rotary Club of Pinjore Hills who appreciated the efforts being made by our club at one of the most important stations of North India.

By meeting large number of passengers including some VIPs, Rotary's cleanliness mission seems to be gaining the momentum. But we need genuine support from the Govt. establishments, and being inspired by Railway officials like Munish Uppal is a positive move in this direction.
